REVENUE SECRETARY GOVERNMENT OF MYSORE No D. 1473 LA

Proposal to appoint the Amildar, Heggadadevanakote as the Assessing Officer for revising the assessment in the Minor Municipality, Heggadadevanakote

I have the honour to state that the revision of assessment in the Heggadadevanakote Minor Municipality has been long overdue and it is held up only because, the Assessing Officer has been engaged in the revision work of other Municipalities, the period of revision of assessment which expired long back The Assessing work in Periapatra Municipality is now going on and after that, Gundlupet will have to be taken up It would therefore take some time before the assessment work in Periapatna Municipality is completed In the meanwhile, the Council have resolved to request the Government to appoint the Amildar as the Assessing Officer, as the Municipality is too poor to bear the expenses of assessing establishment (Assessing Officer), copy of the resolution is enclosed

It is stated that during last revision, this was the arrangement made as per G O No L 2429 Ml 55-37-30 dated 31-8-1937 This order is reported to ne not readily traceable

The financial condition of Heggadadevanakote Municipality is too poor to bear extra cost that may be involved on

involved on account of revision and the suggestion of the Council made in their resolution dated 30-9-46 deserves consideration

I request, therefore, that Government may be kindly moved to accord sanction to the proposal to appoint the Amildar, Heggadadevanakote Taluk as an assessing Officer, to the Municipality for attending to the work of revision of assessment in Heggadadevanakote Municipality

I have the honour to be,

Sub proposal to appoint the Amildar, Heggadadevankote as assessing officer for Heggadadevankote Municipality

--

With reference to your letter No L 15941 dated 15-6-1947 calling for information on certain points relating to the above subject, I have the honour to furnish below the required information

	Question	Replies	
1	How many persons are there within the limits of the Municipality	1583 ~~1630~~ persons	
2	What is the financial position of the Municipality according to the Budget of 1946-47	Opening Balance	3367/-
		Receipts	2820/-
		Total	6187/-
		Expenditure	3841/-
		Closing Balance	2343/-
3	What would be the minimum period for which the estimate may have to be sanctioned including the assessing officer?	About 6 months	
4	What would be the minimum expenditure in this behalf?	Rs 262 as detailed below	

Allowance to Assessing officer as per resolution of the council at Rs 20/- per mensem for 6 months		120/-
Pay of peon on Rs 10/- per month with D A	12/-	132/-
For 6 months contingency		10/-
	Total	262/-

The total expenditure would be Rs 262/- if the president were to perform the function and duties of the Assessing Officer The President suggests with a view to keep down cost, the Taluk

the Taluk Sheristedar might be entrusted with the work involved in case only an expenditure of Rs 120/- (allowance of Rs 20/- for 6 months) will have to be incurred

It had been reported by the Amildar President that the last revision was made by the Amildar and that revision this time also might be entrusted to him thus to save cost, The G O however could not be traced In view, however, that it may lead to anomolies, I think the President's suggestion to appoint Taluk Sheristedar as Assessing Officer may be approved I request early orders of Government in the matter The report dated 22-4-47 received from the President together with the resolution of the council on the subject is enclosed
